	12 am - 1 pm	Indian Classics in English Translation	Prof Malati Mathur	SOH	Translation makes writing from various languages accessible to those who do not know a particular language but would like to read what their writers have to say. As such, it brings cultures and people closer together in a	

					myriad ways. In an increasingly globalised world, we need to look at the term 'globalisation' not merely from the economic point of view but from the social and cultural perspective as well and this vision will only come if we are able to read the literatures from all over the world. Even if we confine ourselves to our own country, the multiplicity of languages and dialects ensures that we have a treasure house of regional writing which should be accessed by everyone.	
Sunday 04. 11.2018	11 am – 12 pm	Human Security	Dr. Maheep and Dr.Divya	SOSS	The session will discuss the concept of Human Security, theoretical framework and capacity analysis. Human security is needed in response to the complexity and the interconnectedness of both old and new security threats – from chronic and persistent poverty to ethnic violence, human trafficking, climate change, health pandemics, international terrorism, and sudden economic and financial downturns.
